

**HANNOVER MESSE**  
**A World of Opportunity – All at One Trade Show**  
April 25-29, 2016, Hannover, Germany

**HANNOVER MESSE 2016** is the world's leading trade show for industrial machinery and advanced manufacturing technology. For the first time since the show began, **the United States will be featured as the Partner Country**, which has attracted over 250 U.S. companies and 50 Economic Development Offices. Over 220,000 visitors and 5,000 exhibitors from around the World are expected to attend the show in Hannover.

Hannover Messe will feature all industry sectors:

-  Digital Factory,
-  Industrial Automation,
-  Industrial Supply,
-  Energy,
-  Research&Technology

The U.S. Commercial Service would like to invite Croatian companies to attend the show. In order to make the most of your visit, we would like to offer you following benefits:

**Complementary Admission** – Please register for a FREE week-long attendee pass by clicking [HERE](#).

**Connect with U.S. Exhibitors before Hannover Messe 2016** - Please click [HERE](#) to review profiles of U.S. companies participating in Hannover Messe and to communicate with the U.S exhibitors you have an interest in meeting with during the show.

Receive an exclusive invitation to participate in the **U.S. Partner Country Reception** in the U.S. Investment Pavilion.

**Counseling for investors interested in the USA** – SelectUSA is a U.S. government-wide initiative, to navigate resources, rules, and regulations to successfully invest in the United States.

**Assistance** from Commercial Service personnel during the show and **facilitation of meetings with U.S. companies.**
